Scenario:

You have been sick for several days and decide to go see a doctor. You are new to town and haven't been to a doctor in the area. Your friend gave you a business card of a good doctor in your area. Call and make an appointment

Caller:

Potential questions to answer:

What's your name?

What is the problem?

Are you in pain?

What are the symptoms?

When do you want to visit?

Have you been here before?

Potential questions to ask:

What time are you open?

How busy is it?

Are there any appointments earlier?

What do I need to bring?

Operator:

Potential questions to ask:

What's your name?

What is the problem?

Are you in pain?

What are the symptoms?

When do you want to visit?

Have you been here before?

Potential questions to answer:

What time are you open?

How busy is it?

Are there any appointments earlier?

What do I need to bring?
